# Consider assisting us as an expert

The screenshot shows the 'Work as an expert' page on the European Commission's funding and tender opportunities portal. The page is in English (EN) and includes a navigation menu with options like 'HOME', 'SEARCH FUNDING & TENDERS', 'HOW TO PARTICIPATE', 'PROJECTS & RESULTS', 'WORK AS AN EXPERT', and 'SUPPORT'. The main content area is titled 'Work as an expert' and features a video player with the title 'Being an expert for the European Commission...'. To the right of the video, there is a list of tasks that experts assist in, such as 'Evaluation of proposals, prize applications and tenders' and 'Monitoring of actions, grant agreements, public procurement contracts'. Below this, there is a section for 'Interested? Please join the database of external experts!' with a 'Register as expert' button. Further down, it states 'As new expert, you will be first requested to create your EU login account and register your profile.' and 'Registered experts can update the profile via the My Expert Area after login.' On the right side of the page, there is a 'News' section with two articles: 'Call for applications to join the Expert group on the Economic and Societal Impact of Research and Innovation (ESIR3)' dated Sep 17, 2023, and 'Short video tutorial on lump sums in Horizon Europe' dated Jul 24, 2023. There is also an 'All news >' button and a 'Quick Links' section at the bottom right.

## Work as an expert

Need help?

The European Union Institutions appoint external experts to assist in the evaluation of grant applications, projects and tenders, and to provide opinions and advice in specific cases.

Being an expert for the European Commission...

In particular, experts assist in:

- **Evaluation** of proposals, prize applications and tenders
- **Monitoring** of actions, grant agreements, public procurement contracts

In addition, experts provide opinion and advise on:

- **Preparation, implementation and evaluation of EU programmes and design of policies.**

In order to select experts, the European Union Institutions publish regularly calls for expression of interest (see list below) detailing the selection criteria, the required expertise, the description of the tasks, their duration and the conditions of remuneration.

**Interested? Please join the database of external experts!**
